Alum baking powders are unhealthy. Do not use them for raising food under any circumstances. So detrimental are alum baking powders considered, that in most foreign countries their sale is prohibited. In many States in this country the law compels alum powders to be branded to show that they contain this dangerous acid, while in the District of Columbia, Congress has prohibited the sale of all food that contains alum.

Alum baking powders are sold to consumers at from 10 cents a pound to 25 ounces for 25 cents, or 25 cents a pound, and when not branded may generally be distinguished by their price.

MORE ROOM WANTED.

It Is An Absolute Necessity That Our School Have It.

"We are just crowded to death, almost, in our high school rooms," said Prof. T. F. McBeath to a Sun emissary yesterday evening, "and we ought to have more room to handle the hundred and twenty to thirty students in our high school."

This has been repeatedly mentioned about our over-crowded schools, and as the number of students seem to increase every week it is necessary that some action be taken. It has been suggested that the Academic building of the East Florida Seminary be secured, and that it be made a high school building, and that the grades remain in the regular building.

At the present time there is no place for holding examinations, except in the Auditorium, which is not provided with desks for that purpose. Surely we should have room according to our size.

PARK THEATER COMPANY.

Fine Bill Last Night—Fanchon, the Cricket, Tonight.

A very fair-sized audience was present last night to witness the presentation of "Human Hearts" by this excellent company. The cast is a strong one and the stage settings were good. The pieces gave the best of satisfaction.

Tonight will be presented "Fanchon, the Cricket," with Lillian Tucker in the title role, and her famous "shadow dance" has won much praise wherever she has appeared. Gabriella McKean as Mother Fadet, the witch, and F. G. Campbell as Father Barbeau and a clever cast throughout will go to make this one of the most pleasing performances of the engagement. This is the comedy made famous by Maggie Mitchell. Don't miss it.
